

Colca Canyon and the Amazon Spring

Day 1: Arequipa, Huanca Lluta, Pichrigma, Huambo, Laguna Mocura, Cabanaconde

In the morning we leave Arequipa with our private transport with direction Hunca. We will last a few times to watch the beautiful changing country. In Huanca we will observe the sanctuary of Huanca and have lunch. In the afternoon we continue our trip to Cabanaconde. We will stop in Lluta to enjoy a spectacular view above Coropuna, Ampato, Solimana, Chachani and other mountains. Overnight in Cabanaconde.

Day 2: Cabanaconde, San Juan de Chucho, Sangalle Oasis

Today we continue our trip to the famous view point "Cruz del Condor", where we can observe the majestic flight of the Condor which is one of the hugest birds in the world. After about one hour we will drive to San Miguel (3400m) from where we will start our descend of about 4 hours to San Juan de Chucho (2200m). After lunch we will continue 3 hours to El Oasis (Sangalle 2100m); we pass the villages Cosnirgua and Malata (2450m) where we can relax in a pool of 24°C. Overnight in Sangalle.

Day 3: Sangalle, Cabanaconde, Aguas Termales, Tuti

Today we will start our trek of 3 hours very early in the morning. At first we will need our flashlight until we can watch a beautiful sunrise. After breakfast in Cabanaconde we continue to Tuti where we have the option to visit hot springs of 38°C. In the afternoon we will visit precolombian ruins.

Day 4: Tuti, Amazon, Carhuasanta

We leave Tuti early in the morning with direction Mismi. We will ascend to an altitude of 5152m above sea level to the origin of the Amazon. After getting used to the height we will visit the Laguna Makenty. In the afternoon we will return to Tuti.

Day 5: Tuti, Aguada Blanca, Arequipa

Today we will reach 4900m above sea level where we have a spectacular view above the three volcanoes about Arequipa.
